

The "FARTUS" company (owner of the SafeToDo brand) presents an offer for gastronomy, meat plants, food processing plants and health and safety wholesalers. We are a producer of foil and polyurethane aprons certified for the food industry. In addition, we offer other foil and polypropylene products for the food and other industries. Our company has valid certificates of the National Institute of Hygiene in Warsaw admitting our products for contact with food. In order to obtain a discount, please contact the company.
